

*Neighbors checking in on neighbors makes  
our community stronger.*

*How are you using your power positively?*

# Community Conversation

## Discussion Questions

---

- ▶ *What do you see in this image?*
- ▶ *How can checking in on our neighbors help during this time?*
  - It is neighborly, it shows you care!
  - Some community members might feel isolated, especially women who might be in difficult relationships or experiencing violence.
  - Strengthens our community when we can watch out for, support and care about others' well-being.

**Take home  
idea**

*Use your power positively, reach out to someone every day.*
